

APPLEBEE's
GROUP + WINTER BOOKINGS 2026

ABOUT US

We're a family-run seafood restaurant with over 25 years in Borough Market, focused on sourcing the very best of British seafood & wines.

We're experts in seafood and pride ourselves on our offering of sustainable, high-quality, British produce with knowledge passed down from our original market stall back in the 90s.

Our grade II listed building dates back to the 18th-century with bucket loads of original features and character. For our 25 year anniversary we refreshed the space with the help of acclaimed design team A-nrd Studio, creating a high quality but relaxed space.

The restaurant is made up of an intimate open-kitchen dining room, a bar/high table area and a lively terrace directly overlooking Borough Market.

SAMPLE MENU

Our festive menu is designed for celebrations: dishes to share for the table, your choice of main, and dessert for everyone.

Whilst we are experts in seafood, we have designed the menu to suit different dietary requirements.

We are a small business and can be flexible to cater to your needs.
